“...this desire for missions has been on my heart since I was a child.”

Dear Friend,

In our last newsletter we introduced you to Judith Anderson, who is heading to Ghana to join our Sub Saharan Team.

Judith is a highly skilled nurse, having already served in the Pacific Islands and West Africa, who will be taking on the role of Director of Community Health. Judith, along with our team, will be working with an unreached community of nearly 400,000 people, where Christians number roughly one third of one percent!

Judith shares that she “was brought up as a missionary kid in Iran and Nepal, and this desire for missions has been on my heart since I was a child.”

Judith is currently in South Africa with members of our international team as part of her preparation for this role, having recently been in London studying French and before that ... far North Australia! Judith will move to Ghana in June, but for now, is focusing on raising the financial support needed for her to assume this role. Please let us know if there are opportunities for her to share her story with a group of friends or at your local church!

Exciting news for our ‘Light up a Village’ project! Due to your support, especially in the lead up to Christmas, we have been able to install solar panels, LED lights and shortwave radios in over 90 villages across Central India!

Because of the need, and your continued support, we plan to reach a further 40 villages during 2018. This represents an incredible opportunity to spread the Good News of Jesus into spiritually dark places where He is unknown.

I spoke with our project coordinators from India recently. They shared this testimony with me:

“I am a listener of the Kuruk program. People came and set up solar lights and gave out radios and lights. I was not a listener but then I started listening to radio and Jesus stories. Now my family also listens. We listen to many good teachings as a family.”

Please prayerfully consider a monthly commitment to Judith (**pictured top left**) or perhaps you are able to provide a one-off gift. Above all, we would be grateful if you could pray for Judith as she prepares for this next season of her life and the people who will be impacted through her work.

To indicate your support for Judith you can fill out the giving slip attached to this letter. If you would like to read more about Judith, please go to our website at www.reachbeyond.org.au where you can view or download her brochure.

Thank you for standing with Judith, and Reach Beyond Australia, as she makes ready to be the voice and hands of Jesus in Ghana. As always if you have any questions or would like to get in touch, don't hesitate to contact me.

Kind regards
