Dear Friend,

Do you remember the day someone introduced you to Jesus?

Your life changed. Maybe overnight. Maybe over time. But it changed. You gained a new purpose, a new code for living, a new hope for the future, and a new spiritual family. Can you imagine what your life would look like now if no one had ever gone out of their way to introduce you to Jesus?

In spite of tremendous technological advances, there are still millions of people who live in hard to reach places where they have limited access to the gospel. Many come from tribes or people groups that have been historically resistant. These are people that Jesus loves. They need someone who will reach beyond borders, beyond words, and beyond themselves to introduce them to Jesus. Our vision comes from Revelation 7:9 where we want to see Jesus known and loved among all people.

This is why I'm excited about this issue of Voice & Hands. At its core is the recognition that we can only fulfil this vision by combining our resources and partnering with others. This includes you!

Of the 16,000+ people groups in the world, there are 1,900 of more than 100,000 people that lack ready access to the gospel and don't have an indigenous church strong enough to reach their own. We can do something about this. We know where these people are located and we have the tools to reach them. Incredibly, our shortwave service broadcasts programs in languages spoken by over 600 of these unreached people groups!

“...we want to see Jesus known and loved among all people.”

One of our priorities right now, is to bring the voice and hands of Jesus to the Rohingya people. For years we have been praying for such an opportunity. Because of the tragic ethnic cleansing in Myanmar, over 800,000 Rohingya have now fled to refugee camps in Bangladesh. While the conditions in these camps are harsh and unrelenting, our teams on the ground are able to compassionately demonstrate the love of Jesus.

This is why we are grateful for your ongoing partnership through prayer and financial support. As the "voice and hands of Jesus" we are compelled to share the gospel in places where the need has never been greater.

Yours faithfully

P.S. Thank you again for supporting us in our efforts to reach the 1,900 unreached people groups.

P.P.S. Our ministry to the Rohingya people will be the focus of our annual corporate Golf Day on the 23rd November, where we are aiming to raise \$15,000 to cover the cost of medical supplies for 60 days. We'd love to see you there!
