

Prayer Partner

Special Edition June 2017

International Day of the Unreached - 4 June

- Pray as many believers and ministry organisations come together this day to uphold in prayer the countless millions who have yet to hear the Gospel.
- Pray too for the outreach of our broadcast ministry from Kununurra to those who have not heard, or have little access to the Gospel, that many would believe as they hear of the love of God.

"I am a student in Bilaspur. My friends listen to radio after school in the hostel and they talk about Jesus. One day I was with them for dinner and one of them switched on the radio... The man who spoke was talking about Jesus, the God who died for us and rose again. Can you help me to know more about Jesus? what I need to do that He will love me too?"

Listener Response, India
Our radio partners, GMTA in Delhi have responded to this student.

Kununurra

- Pray for the Lord's provision of a person to undertake the position of Senior Manager to oversee the International Broadcast site at Kununurra. He will need experience in managing people, building relationships and a heart to serve and reach the lost.
- Pray too for a resourceful, self-funded husband and wife team to manage and maintain all aspects of the accommodation facilities at Kununurra.
- Praise God for the reliability of the three HC100 transmitters daily proclaiming God's love to regions where many people have yet to hear the name of Jesus or have little access to the Gospel.
- Pray for safe travelling for Steve, Kathy, Carolyn and Jonathan Sutherland as they return to America on furlough to connect with family and supporters.
- Pray for the team of volunteers looking after the transmitters and broadcasts while Steve is away.

Asia-Pacific Office

- Continue in prayer for strong relationships of our Asia-Pacific personnel with many indigenous partners and for a growing spiritual harvest in Thailand, Nepal, Mongolia, Myanmar and Cambodia.
- Pray for Thailand and our stations that are waiting to be granted permission to begin broadcasting again after the coup by the military. Pray for a peaceful transition in the country after the death of the king last year.
- Pray for the Asia-Pacific team as they seek new partners throughout Nepal, Indonesia, Thailand and several undisclosed countries, in radio, media, leadership and community development projects.

Program Partners

- Pray for our program partners. Many work in communities that oppose the Gospel and where persecution is not uncommon. They use radio programs to reach their people with the Good News of Jesus Christ.
- Pray for the six radio outlets launched in Mongolia in cooperation with FEBC. This country is just 1.2 percent evangelical. Pray as God draws people to listen and respond.
- Pray that the Mongolian government would approve two radio licenses for stations to be installed this year.
- Praise God for the power of the Holy Spirit; who directs our programmers, prepares hearts of listeners, opens doors of opportunities and provides the technology required to proclaim His Word.

India

- India has the largest illiterate population in the world making the proclamation of the Word via radio such a crucial way to communicate the Gospel.
- Pray for the ministry of GMTA in India and ask God to grant wisdom to the GMTA staff as they follow up all who respond to the radio programs.
- Pray for our weekly Oriya broadcasts into Orissa. It is one of 29 states of India, the ninth largest by area, the eleventh largest by population and the third most populous of India. Some 50 million people speak Oriya in Orissa.
- Pray that God would use these broadcasts to bring many to a saving knowledge of Christ. The program content is provided by Trans World Radio and Watchman Ministries.
- Pray for Christopher, Dolly and Crido in New Zealand as Dolly continues her studies in Multicultural Ministry at the Eastwest University.
