"I do not understand what the 'born again' really means or how should I live as a Christian. However, by listening to the Hingna Awl radio program I am convinced by the Holy Spirit that I am a sinner and need to accept Jesus as my personal Saviour."

– Rosanga, a listener to Reach Beyond's Matu program

Dear Friend,

We have the privilege of working with some amazing people. In this picture, Ps Aung from Myanmar is with Ps Bawi Lu, an evangelist who works with Ps Aung. Ps Aung is one of the voices of our Matu programs.

After visiting rural towns in Myanmar to distribute shortwave radios, Ps Aung wrote to us saying, *"Thank God more and more Matu people know how to find the radio frequency and are listening to the Hingna Awl Matu Radio program and yet many others need radio receivers."*

The radios you see in the photo are now somewhere in the middle of Myanmar!

We are always encouraged by the feedback we receive from listeners, like –

"The Hingna Awl radio program is great, and I am very blessed to listen to the program every week. I am thankful to the Hingna Awl radio team for their selfless dedication toward this program and also to Reach Beyond Australia. Thanks so much, and God bless you and Reach Beyond radio programs reaching lost souls."

"...Reach Beyond radio programs reaching lost souls."

Please include your name and fund allocation so we can receipt accordingly.

Your support is helping people, like Ps Aung, to reach the lost in hard to reach parts of his own country, and yet, Ps Aung and the Matu radio programs represent only one of the opportunities before us in Myanmar.

We currently broadcast in three key languages to Myanmar: Burmese, Matu and Naga. While I can't go into the detail, I can say that we are currently developing plans to rapidly expand the distribution of shortwave radios in various parts of Myanmar with the help of our partners who have dozens of local people in their ministry network available to assist.

For me, as many of you would know, strong partnerships are an integral part of our effectiveness in reaching the unreached. Without them, we could not continue broadcasting the message of hope in Christ to the places that are difficult to reach, or distribute radios throughout Myanmar and other parts of Asia, like India. We certainly value your support and prayer.

While on the subject of prayer, I need to let you know that we have had a very quiet start to the year, financially. But the Lord is faithful, and I only need to read one of the hundreds of responses we receive to our programs to know that the Lord is at work.

As we share these stories of lives changed, please pray that the Lord would raise up more people to support this work. If you ever have any questions or would like more information about what I have shared, please feel free to pick up the phone and call me. I'd love to hear from you.

Yours faithfully

P.S. By the way - 'Hingna Awl' in English means, 'The Living Word'. Thank you again for partnering with us in sharing the message of hope in Jesus.
